I accidentally added an item to my cart. How do I remove it?

You can edit, remove or change quantities of items in your shopping cart.

To change the quantity of an item, update the number in the gray quantity box and click the Update Cart button.

To remove an item from your shopping cart, simply click Remove next to the item quantity. The item will be removed from your shopping cart.

If you would like to ship to multiple addresses, please contact the [Rich Bracken](#) and she can assist you with placing your order.

How do I know if my order went through?

When you complete your web order, an order confirmation screen will appear. We encourage you to print this page for your records.

Once your order has been processed in our system, you will receive an order confirmation email containing your order information.

Should you require further information about an order or do not receive an email confirmation, please contact our [eCommerce team](#) for assistance.
